

# SHAWN GORDON BECKER

Fullstack Development

+49 170 966 47 25 • [contact@shawnbecker.de](mailto:contact@shawnbecker.de) • <https://github.com/ShawnGB> • Berlin, Germany

## SUMMARY

---

Full-stack developer with 8+ years of experience building web applications using React, Next.js, TypeScript and Node.js (NestJS, Express). Comfortable across the stack, from PostgreSQL and MongoDB to Docker, CI/CD and cloud deployments. Background spans frontend and backend development, product management, and entrepreneurship. Skilled at bridging business requirements and technical implementation, from architecture decisions to production-ready code.
